RESOLUTION TO THE STATE BOARD OF EDUCATION RE: ASSESSMENTS

Resolved, that the Commissioners of the Burlington School District urge the State Board of Education to assess public school students grades 3-8
in spring rather than fall;
and on the basis of growth model testing;
and high school students on the basis of 11th grade ACT or SAT tests.

The Commissioners believe that these changes will result in assessments that more accurately reflect student progress, and promote student preparation for postsecondary education.
